Pierlux Security Light

The Pierlux Security Light provides versatility through Colour Select and its removable/replaceable sensor. The security light is suitable for commercial and residential applications needing light to protect a property, equipment, vehicles or just providing a safe area to walk around.

- Available in black or white with either single 12W or twin 24W spotlights
- Colour Select with a choice of 3000K/4000K/5700K colour temperatures
- Removeable / replaceable PIR sensor with adjustable sensitivity, ambient lux level and time
